

Avant

Quality accessories with style

Avant

Avant has been designed and developed through ideas and feedback from MK's customers, including developers, specifiers, interior designers, installers and home owners.

To provide our customers with peace of mind, Avant is backed by a **12 year warranty** from MK, a renowned hallmark of safety, quality and reliability.

An Emblem of Style & Quality

Avant innovative features and benefits:-

- Ultra slim frontplates of 4mm
- Clip on frontplates which conceal screws

- Frontplates are removable for convenience when painting walls
- Avant light switches are rated at 10AX which means no derating is necessary when used with fluorescent or inductive loads.
- 3mm switch contact gap for increased safety
- International standards – the products are manufactured in an ISO 9001:2000 environment and comply to British, Malaysia and Singapore Standards
- Attractive gloss finish for aesthetic appeal and practical maintenance
- Interchangeable coloured frontplates to suit your interior décor
- 12 years guarantee on all electro-mechanical products (2 years for all electronic products)

**12 YEARS
WARRANTY**

Hallmark of Good Design

The Avant range offers different coloured high quality frontplate finishes for customers to match and enhance any interior or room décor.

Attention to detail makes the difference

Besides meeting the aesthetic requirement of architects and interior designers, behind every high quality frontplate is a product that makes it easy for the installer too.

Novar Intelligent Building Systems offers a uniquely comprehensive range of solutions for specifiers and installers of fire, security, building management, datacoms and electrical installation products and is equipped to provide a single source solution for all your requirements.

AVANT - Hotel Range

MK is synonymous with innovation and excellence. With a prestigious history of design, manufacture and supply of high quality electrical wiring devices products, MK has established itself as a leading wiring accessories brand.

Avant Hotel Range is MK's extension to the contemporary styled switches and sockets of Avant Range. This range is ideal for use in any hotel room and service apartment. The range consists of **Key Card Switch**, **"SERVICE" & "DO NOT DISTURB" Switch**, and **Bell Switch with Service Indicator**. Beautifully designed and superbly made. It comes in a choice of four high quality finishes - charcoal, champagne, titanium and white. Setting a new standards in styling, quality, reliability, safety and incorporate a host of design features that make the installer's job easier and quicker.
